**Welcome to**  
**WILLARD SOUTH**

**OFFICIAL**  
**SCHOOL TIMES**

On behalf of the Willard South faculty and staff, I want to welcome you and your family to our school! We are looking forward to working with you and your child this school year.

Our building configuration is for kindergarten through fourth grade. We strive to keep classroom sizes low to ensure the success of all students. In addition to our regular classrooms, we also offer several special programs here at Willard South. We have an Early Childhood Special Education classroom for three through five year olds. Our Pioneers (gifted) classroom for all of our first through fourth graders in the district is located here at Willard South. Special educational classrooms are also a part of our continual school success.

It is our goal to build a strong relationship with not only our students but our parents as well. With your support in our school system we can build a strong academic and social background for every child. I encourage you to be involved in your child's education through volunteer work, membership in our PTO, communication with staff and much more. Let us work together to ensure the success of every child!

Your Partner in Education,  
Mrs. Kara Crighton-Smith, Principal
